

Dear Valued Member,

Garrison Players Arts Center is a volunteer run, nonprofit theater which strives to fulfill its promise to provide and nurture a community-based arts environment. Ticket sales account for a small percentage of our arts center's income so we rely on your support through annual memberships and donations to help us continue to provide a venue where people come to express, explore and experience artistic creativity.

As the longest continuously operating community theatre in New Hampshire, the Garrison Players Arts Center is very excited to announce our upcoming season:
